LOCATION: Strategy Room 3

GUEST SPEAKERS: Mr. David Vickers - Randal Brown & Associates Engineering Ltd.

DESCRIPTION: David Vickers, B.Sc., CET, CFPS | Project Manager, Randal Brown & Associates Engineering Ltd. - This presentation will provide a general overview of the Ontario Building Code enhanced barrier free accessibility requirements that will be applicable as of January 1, 2015.

BIOGRAPHY: Mr. David Vickers, Project Manager

David Vickers has over 12 years of experience in the fire industry, and is currently a Project Manager at RBA Engineering. David is a Certified Engineering Technologist and a Certified Fire Protection Specialist with 12 years of experience in fire safety planning, building and fire codes, and life safety. Mr. Vickers works on a variety of projects involving building inspections and the application of provincial and national fire and building codes, consulting on architectural designs and concepts, and code analysis for spatial separation, occupant load, and exit capacity calculations. David also presents training on fire safety planning, building and fire codes, and life safety. David is a graduate of the Fire Protection Engineering Technology program at Seneca College and also holds a Bachelor of Science Degree from Trent University. He is currently the Treasurer of the Southern Ontario Chapter of the Society of Fire Protection Engineers, and is also a member of the following organizations:

- Canadian Fire Safety Association (CFSA)
- Society of Fire Protection Engineers (National Chapter, USA) (SFPE)
- Society of Fire Protection Engineers (Southern Ontario Chapter) (SFPE)
- International Code Council (ICC)
