

## CSA Group - Declaring Environmental Impacts of Products - From PCRs to EPDs

DATE: Tuesday, September 30th, 2014 TIME: 10:30 am

LOCATION: Strategy Room 1

GUEST SPEAKERS: Ms. Tara Leitan - CSA Group

DESCRIPTION: Want to learn more about the environmental impact of products? Learn why product transparency is increasingly important in today`s marketplace CSA Group is pleased to provide a session at the OBOA AMTS aimed at providing attendees with important insight on the methods and processes that are used to measure and communicate product information, with special emphasis on Life Cycle Assessments (LCAs), Product Category Rules (PCRs), and Environmental Product Declarations (EPDs). EPDs are also increasingly becoming a vital tool for design professionals and how they apply to the newest version of LEED 4.
