

## Discover Lansdowne

DATE: Tuesday, October 4th, 2016 TIME: 1:30 pm

LOCATION: Lansdowne Park

GUEST SPEAKERS: N/A

DESCRIPTION: We are excited to announce that the details have been finalized and we will be offering a "behind-the-scenes" tour of Lansdowne Park. This area is one of Ottawa's most historic sites and has recently undergone a major redevelopment. We will be combining the knowledge of professionals involved with the project from the Ottawa Sports and Entertainment Group (OSEG), the City of Ottawa Building Code Services, and CDS Movers. CDS Movers were responsible for relocating the Horticulture Building, an early 20th century architectural gem that is a fixture of Ottawa's landscape. CDS Movers will be providing a short presentation on site as well as a Technical Session on Tuesday morning for anyone interested in obtaining more information on this large scale building relocation. OSEG staff will be leading the tour and City of Ottawa staff will be on hand to answer specific technical questions.

Space is Limited for this tour, please pre-register at [AMTSTour2016@OBOA.on.ca](mailto:AMTSTour2016@OBOA.on.ca) to reserve your spot. (Only 50 spaces available)

The Technical Committee, in combination with the Host Committee, have also put together a fun option for attendees of the tour. This is also open to all delegates and companions who wish to take advantage of the attractions Lansdowne Park has to offer. Please see our flyer (coming soon) with details on exclusive food deals and shuttle bus service between Lansdowne Park and the Shaw Centre.
