BIOGRAPHY: Ms. Jessica Burroughs, Health & Safety Consultant

Jessica Burroughs (Consultant, Public Services Health & Safety Association) BASc, CRSP, CHSC, CRM

Injury prevention and risk management is at my core. Facilitating learning and supporting people in those areas is what I love most. I have over 16 years experience working in the health and safety field across a variety of sectors. I am passionate about continuously learning and using these learnings to champion health and safety management at work.
