

City of Toronto's Residential Infill Strategy

DATE: Tuesday, October 1st, 2019 TIME: 1:40 pm

LOCATION: Georgian I - II

GUEST SPEAKERS: Mr. Will Johnson - City of Toronto

DESCRIPTION: Will Johnson, CBO-City of Toronto
City of Toronto's Residential Infill Strategy

The construction of residential homes in established neighborhoods often presents a number of challenges for residents and builders. Toronto Building developed and implemented a strategy to address these challenges which is resulting in a more proactive enforcement approach for the City. This presentation will provide an overview of the strategy and the results since it was implemented in 2017.

BIOGRAPHY: Mr. Will Johnson, Chief Building Official and Executive Director
Will Johnston is the Chief Building Official and Executive Director for the City of Toronto. Will has over 20 years of building regulatory experience with the Cities of Toronto and Vancouver. He is a professional engineer with an undergraduate degree in Civil Engineering and a Master's Degree in Fire Protection Engineering from the University of British Columbia.

In Will's current role, he is responsible for strategic leadership and direction of Toronto Building.

Prior to joining the City of Toronto, Will held the position of Chief Building Official for the City of Vancouver.
