

OBC 2024 - Part 9 overview of 2024 Building Code Changes

Moderator(s): Paul Murphy

DATE: Tuesday, October 1st, 2024 TIME: 10:30 am

LOCATION: Salon E,F

GUEST SPEAKERS: Gerald Moore

DESCRIPTION: The 2024 Ontario Building Code becomes effective on January 1st, 2025, and contains thousands of changes from previous versions. This presentation introduces and simplifies the changes as they relate to Part 9 buildings. The changes are organized by topic, and include updates to fire safety, egress and exiting, soil gas control, Part 9 structural, HVAC, and more. Join RSM to learn about the new code and how it will affect the construction of small buildings in Ontario.
