

Electronic Service Delivery the 'Complete Business Solution' and Making the case for

Moderator(s): Willy Wong

DATE: Tuesday, October 6th, 2015 TIME: 1:40 pm

LOCATION: Grand Ballroom Centre

GUEST SPEAKERS: Mr. Jack Hinton - City of Mississauga, Mr. Vincent Lue - City of Toronto

DESCRIPTION: Mr. Vincent Lue - City of Toronto, Mr. Jack Hinton - City of Mississauga, David Karlson - Avolve Software

Vincent Lue - The 1st part of the session will be a case study of Toronto Building's Electronic Service Delivery as a complete business solution. | Jack Hinton - The 2nd part of the session will focus on a generic plans solution for municipalities vs a specific vendor solution. We will explore the business case internally and the external benefits for clients and residents.
