

**Posting For:** City of London  
**Position:** Manager, Building Engineer  
**Position Type:** Temporary, Full-time Up to 2 Years  
**File #:** 1364

The Corporation of the City of London strives to foster a workplace in which all individuals maximize their potential, regardless of their differences. We are committed to attracting, engaging, developing and celebrating exceptional people in public service who are representative of our community.

**Summary:**

Reporting to the designated Manager within Development & Compliance Services, the Manager I, Building Engineer, reviews mechanical and structural drawings, plans, specifications and design data for all buildings and structures to ensure compliance with the Ontario Building Code Act, 1992, the Ontario Building Code, related Municipal by-laws, other applicable by-laws, and conducts structural and mechanical inspections on site. The Manager I, Building Engineer assists the Manager II responsible for structural building engineering or mechanical building engineering as required.

**Qualifications/Experience:**

- Bachelor of Science degree in Engineering. Current designation as a Professional Engineer in the Province of Ontario. (Individuals with imminent registration as a Professional Engineer in the Province of Ontario may be considered.)
- Four to five years of related experience is required.
- This position will be focused on the portfolio involving life safety and fire protection systems, so experience in this area would be an asset.

**Compensation/Other Information:**

\$87,024 - \$113,644

This is a temporary, full-time position for a period of up to 2 years.

Standard Hours of Work: Monday - Friday from 8:30a to 4:30p.

Work Arrangement: 4 days in the office and 1 day remote.

These hours of work are subject to change in accordance to business requirements.

**How to Apply:**

For a complete job description and to apply on-line, please visit the City of London website at [www.london.ca/mycareer](http://www.london.ca/mycareer)

**Closing Date for Applications: Thursday, December 5, 2024.**

We appreciate all applications, however, only those selected for an interview will be contacted.

As an inclusive employer, we are committed to providing a fully accessible recruitment process. Please contact us at any time during the recruitment process and let us know what accessible supports you may need.
