

JOB POSTING

ABOUT THE MUNICIPALITY OF CENTRAL ELGIN

The Municipality of Central Elgin is a progressive, growing urban and rural municipality located on the north shore of Lake Erie in the heart of southwestern Ontario adjacent to London and St.Thomas. The Municipality is home to 13,000 people. A prosperous municipality that blends the diversity of a rural agricultural community with an extensive urban environment that is rich in history and tourism, the Municipality of Central Elgin prides itself on being progressive in the way everyday business is carried out.

BUILDING INSPECTOR

POSITION OVERVIEW:

- The Building Inspector position ensures that construction projects comply with the Ontario Building Code, municipal bylaws, and other applicable laws. The role involves reviewing permit applications, performing plan examinations, conducting site inspections, and addressing compliance issues for all types of building projects.

KEY RESPONSIBILITIES:

- Ensure that permit applications are complete and comply with the Ontario Building Code, municipal bylaws, and relevant legislation.
- Perform plan examinations and site inspections for all types of buildings to ensure compliance with the Ontario Building Code, municipal bylaws, and relevant legislation.
- Provide detailed inspection reports for the various stages of construction as completed.
- Issue fines under the Provincial Offences Act and make Orders in accordance with the Building Code Act (1992) as directed by the Chief Building Official in a correct, clear and concise manner whenever contraventions are found and ensure that the contraventions are corrected to satisfy the provisions of the Ontario Building Code and related bylaws.
- Assist in the evaluation of alternative solutions under the applicable provisions of the Ontario Building Code.
- Manage inactive open permits and permits requiring payment.
- Assist in investigating and dealing with applicable building and property standards bylaw contraventions and concerns.
- Provide temporary assistance to the Bylaw Department as required.
- Provide information to the public with respect to municipal bylaws, the Ontario Building Code, permit application process, inspections, fees and charges.
- Act as a witness in court as required.
- Act in relief of the Chief Building Official if and as required.
- Comply with all municipal policies and procedures including health and safety, code of conduct, human resources, bylaws, etc.
- Perform other duties as required.

QUALIFICATIONS AND REQUIREMENTS:

- Post-secondary diploma or degree in Architectural, Construction or Engineering Technology. An equivalent combination of education and experience will be considered.
- Successful completion of, or the ability to complete, the provincial mandated examination program administered and authorized by the Ministry of Municipal Affairs and Housing in:
 - Legal Processes – Powers and Duties of CBO
 - House

- Small Buildings
- Plumbing - All Buildings
- HVAC-House
- On-Site Sewage Systems
- Structural
- Large Buildings
- Complex Buildings
- At least 3 years of relevant professional experience.
- Demonstrated knowledge of building codes, construction practices, and safety regulations, with the ability to interpret and stay updated on evolving legislative and regulatory requirements.
- Ability to interpret architectural plans and technical documents.
- Works effectively both independently and as part of a team, able to accept direction and complete tasks with limited supervision.
- Responsible for effectively communicating through oral, written, and interpersonal skills, presenting information clearly and managing relationships at all levels.
- Responsible for fostering professional and diplomatic interactions with employees and the public, ensuring sound judgment and effective public relations, even in high-pressure situations.
- Strong attention to detail and analytical skills, with a proactive approach to problem-solving.
- Physical ability to move about construction sites, buildings under construction, able to climb ladders, stairs, scaffolding and maneuver over uneven terrain as required during on-site inspection.
- Proficient in using Microsoft Office programs including Outlook, Word, Excel and PowerPoint.
- Experience in a Municipal/City Building Department environment is an asset.
- Cloudpermit permitting software experience is an asset.
- Certification as CBCO, MAATO, and/or CET is an asset.
- Experience in court procedures and enforcement as it relates to the Building Code Act and Ontario Building Code is preferred.
- Valid Glass G Ontario Drivers License.
