

**Posting For:** City of London

**Position:** Manager, Code Compliance

**Position Type:** Permanent, Full-time

**File #:** 2566

The Corporation of the City of London strives to foster a workplace in which all individuals maximize their potential, regardless of their differences. We are committed to attracting, engaging, developing and celebrating exceptional people in public service who are representative of our community.

**Summary:**

Reporting to the Senior Manager, Building Division, the Manager, Code Compliance provides a leadership role in supporting the strategic goals and objectives of the Building Division related to building permit applications, building inspections, and code compliance. This position is responsible for staff supervision, providing consultation and advice regarding the Ontario Building Code and related legislation to external partners and internal clients, advising on new or revised policies and procedures and taking appropriate action on unsafe buildings with due regard for the safety of individuals and the public.

**Qualifications/Experience:**

- Completion of a Three-year College Diploma in Architectural Technology or Construction Engineering Technology.
- Certification as a Building Technologist by the Association of Architectural Technologists of Ontario (A.A.T.O.) or CET designation by Ontario Association of Certified Engineering Technicians & Technologists is preferred.
- Must be qualified in the categories of General Legal/Process for Inspectors and Designers, Powers and Duties of Chief Building Officials and Registered Code Agencies, Building Structural, Complex Buildings or Large Buildings, On-Site Sewage, Building Services and Small Buildings.
- Must have successfully passed the Ministry of Municipal Affairs and Housing examination on General Legal/Process.
- Maintain qualifications as determined by the Ministry of Municipal Affairs and Housing.
- Five to seven years of progressive experience related to building construction or building design; with a good working knowledge of the Ontario Building Code.
- Supervisory experience, including leading a team of technical professionals or equivalent combination of education and related professional and lived community experience.
- Certified Building Code Official certification and current member with the Ontario Building Officials Association are assets.
- Must possess a valid Class "G" Drivers Licence.

**Compensation/Other Information:**

\$100,395 to \$131,441

This posting is for one (1) permanent, full-time position.

Standard hours of Work: Monday - Friday from 8:30a.m. to 4:30p.m.

Work Arrangement: 4 days in the office and 1 day remote

These hours of work are subject to change in accordance to business requirements.

**How to Apply:**
