

The Building Code Commission (the Commission) is an adjudicative tribunal whose mandate is to hold hearings and make decisions to resolve disputes between affected parties concerning the sufficiency of compliance with the technical requirements of the Building Code. The Commission also holds hearings and makes decisions regarding time period disputes for site inspections and time period disputes for processing permit applications.

The job advertisement has been posted to the Public Appointments Secretariat (PAS) website here: [Advertisement - Public Appointments Secretariat](#)

Interested applicants must apply by the **deadline of February 7, 2025**.
